### From the Principal – Mrs Ruth White

This week we see the launch of our newly formatted newsletter. We hope that you enjoy the new layout. Thank you to Mrs Reynolds for her assistance in formatting the new design.

### SRC – Student Representative Council

Congratulations to the Semester 1 SRC representatives who were inducted at last week’s assembly. They will represent their class at regular meetings and provide a student voice within our school community. I look forward to hearing their contributions.

### Extra Curricula Opportunities

Throughout the year students have a number of extra curricula opportunities to participate in. This term, on Monday’s children are able to enjoy being part of the Garden Club and on Friday’s Art Club. The library is also open a number of days as well as the wonderful musical opportunities the children can participate in, both choral and instrumental. An addition this year is the ukulele club organised by Mrs Lynley Wagner.

### School Vision

Gordon East Public School is a welcoming and collaborative school community that supports high quality learning. Quality teachers inspire students to be creative and critical thinkers enabling them to become active and informed global citizens.

### Street Library

You may have noticed our new Street Library just inside the school on Rosedale Road. A very big thank you Alan Beattie – Grandfather of Jasmine D for building and installing the library over the weekend. His hard work is very much appreciated. Street Libraries are a wonderful way to encourage and share the joy of reading. Books can come and go, no-one needs to check them in or out, simply leave a book, reach in and take what interests you and when you are done you can return them or pass them on to a friend. For more information <https://streetlibrary.org.au/>

### School Communication

Here at Gordon East we have a range of ways to keep you informed and enable communication. To ensure that you are well informed, and we are able to communicate with ease, please find each way detailed below.

**School Stream:** This app is available for apple and android devices. Reminders are sent out via alerts or notification. You are also able to submit an absence by going to the forms tab. Please make sure that you have downloaded the free app and have signed up to the school's school stream page.

**Email:** Email can be used to arrange parent teacher meetings, submit absences or communicate with the school or class teacher. Not all teachers use their personal email accounts to communicate with parents. If you are unsure, please email the school directly. All emails for the attention of teachers are forwarded on to the relevant class teacher. The school email address can be found in the footnote of the school newsletter.

**Newsletters:** School newsletters are a source of detailed information or summaries of what has been happening at school or what is about to happen at school. They include reminders, details, photos, announcements, dates to remember and a range of further information. The school newsletter is distributed each fortnight in the odd weeks of the school term. Each class distributes a class newsletter at the beginning of each term.

**Phone:** Please phone the school between the hours of 8:30am – 3:30pm week days for any enquiries. Our office staff will answer your question, assist you or forward on your enquiry to the appropriate person.

**Website:** We are currently working on improving our school website. Please keep an eye out for the improvements as they arrive. Currently, we are uploading the school newsletter each fortnight as well as emailing it to parents. Shortly, we will be adding a school calendar where you will be able to keep up to date with school events.

**Notes:** Notes are frequently sent home as a means of gaining permission to attend excursions, an expression of interest to join a group, participate in an event or for general information. Sometimes, these may get lost at the bottom of bags, so we ask parents to do a weekly check of school bags for notes etc. Notes are usually distributed on Fridays.

**Class Dojo:** Some teachers at Gordon East use Class Dojo to share what has been happening in the classroom and to share any reminders with parents only. For other communication, please use phone or email.

A couple of tips:

- Need to send in an absence explanation?: Absence reasons can be communicated to the school via written note, phone call or email direct to the school only. Class Dojo should not be used to send in absence explanations. Please note, absence explanations are required within 7 days to avoid an unexplained absence marked on the roll.
- Change in student collection arrangements?: Please call the school and office staff will speak directly with the class teacher to ensure that the student concerned receives the message in a timely fashion. We appreciate your support as email notifications for arrangement changes may not get read until after the end of the school day.
- Need to meet or chat with the class teacher?: Please call or contact the school via email and your request will be forwarded on to the relevant person.
- Missing a note or permission form?: Please check school bags first. Permission notes are also often emailed home. If you are still unable to find it, please contact the school and we will ensure that you receive a copy.

### The Premier's Reading Challenge

"The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely." PRC Website.

The PRC is open for 2019. Students from years K-6 can take part in the challenge from March 4 to August 30.

K-2 students read 30 books (25 from the PRC lists, 5 personal choice)

Years 3-6 read 20 books (15 from the PRC lists, 5 personal choice)

To complete the challenge, books must be recorded on the PRC website:

<https://online.det.nsw.edu.au/prc/home.html>

The website explains how to complete the challenge and lists all the books you can include.

Students use the same username and password they use at school to logon to the PRC. **Please contact your child's class teacher** if you don't know their username or password.

Gordon East encourages all students to take part. We have hundreds of PRC books here at GEPS and Ku-ring-gai Library also supports the challenge. You probably have many books at home that are on the PRC lists.

Please don't hesitate to contact me if you have any questions about the PRC.

It's always a great time to read!

## Drama News

This term the children have been participating in drama lessons. They have been enjoying working with Ms Johnson. Please find a message below detailing our end of term performance.

### **All the world is a stage, and the men and women merely players**

My welcome to GEPS has been so wonderful. The students are already passionate about William Shakespeare and his stories. From Romeo and Juliet, to Bottom the Donkey, to Titania Queen of the Fairies, to the Ladies and the Lords in 'THAT' Scottish Play.

At the end of this term each class will take to the stage in the GEPS amphitheatre. Students will provide their own simple costume. PERFORMANCE DAY IS THURSDAY 11TH APRIL, the last week of Term 1. Performances will be at 10am, 12noon and 2pm. Each class performs once.

#### **Times for performances are:**

10am: 1L, 2A, 4/3L, 6/5W

12pm: KC, KS, 4/3S, 4/3F, 6/5L

2pm: 1R, 2R, 4/3W, 6/5H

Here are links to a 4 minute insight into The Bard and a hilarious rendition of Tragedy. We watched these in class.

CBBC: All Over the Place - 'Shakespeare' Song

I am at school every Monday and Thursday and I am loving the books and pictures that the students are bringing in to show me. "The show must go on".

## Special Religious and School Ethics Education News

### Message to the parents of children in Catholic Scripture

You can help! If you are willing to volunteer your time once a week for about 30 minutes to facilitate a class, that would be great! SRE is on Tuesdays at 9.10am (right after the bell) to 9.45am. No previous experience necessary!

Training is provided on-line, as well as all of the class materials and on-going support. A “Working With Children Check” for volunteers is also required (free of charge).

You do not need a PhD in theology AND you do not need to be a member of the parish. All you need is a “can-do” attitude and enthusiasm.

Please contact Melanie Benbow, CCD Coordinator at Pymble Catholic Parish at 9144-2702 or at [melanie@pymblecatholicparish.org.au](mailto:melanie@pymblecatholicparish.org.au) for a commitment free chat.

### Could you be an Ethics teacher for Gordon East?

Some of our current ethics teachers are moving on and we are seeking volunteers so that classes can continue in 2019.

Ethics teachers receive full training by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of a two day workshop and short online modules. Lesson materials are provided. Suitable volunteers have an interest in children's education and development of critical thinking skills and must be available from 9-9.45am each Tuesday during term.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit [www.primaryethics.com.au](http://www.primaryethics.com.au) or contact Sarah Hart at [ethicsgordoneast@gmail.com](mailto:ethicsgordoneast@gmail.com).

## From the P&C

Dear Families,

### Volunteers

We are in real need of volunteers please!

**Canteen** – if you haven't yet had a chance to volunteer, please help us out and take a few hours out of your Tuesday or Friday. If volunteer numbers continue to dwindle, we may need to close some days.

[www.volunteersignup.org/ACKK8](http://www.volunteersignup.org/ACKK8)

**State Election BBQ** - Please also help us with the BBQ and cake stall for the upcoming state election. This is a really important fundraiser for the P&C and let's face it, who wants to vote if you can't have a sausage and a lovely cake to take home? ☺

Please note - for any items that you suggest, we need a quote or pricing of the item to include it in the Wishlist vote (responsibility of the person adding the item to the list).

Please bake as much as you can (ask your family/ friends/neighbours to help too!) and return it to the canteen as per the instructions that will come with the boxes. If you're not a baker, don't worry - you can make lolly bags, or donate money instead.

Thanks everyone!

**Band**

All bands are rehearsing well, and we can see the progress already in such a short space of time. Please make sure your child takes their band music to their private lessons and works on it in their private home practice.

As you all know Band camp is coming up on the weekend of the 30th and 31st of March. Please complete the registration and stay tuned as you will be notified of your volunteer/supervision duty in the coming weeks.

If you have any enquires regarding band camp feel free to contact Georgie Robertson on 0402 083 463. It is not too late to join our Band Programme. If your child is interested, please email me at

Have a musical week!

GEPS Band Director

### Strings

The Strings ensemble rehearse Tuesday mornings from 8 am, led by our Director, Mrs Lynley Wagner. The students are currently learning several new and exciting pieces. Our strings students have been invited to attend a Killara High Strings session in Week 6 of this term, always a highlight for our budding musicians!

We are also looking to start a Ukulele Club during half of Tuesday lunchtimes. All students are invited to attend. Information has gone home with your student earlier this week.

Any queries regarding Strings ensemble or Ukulele club please contact Mrs Wagner -

[lynley@wagnermusic.com.au](mailto:lynley@wagnermusic.com.au) or one of our Strings coordinators - Lauren Ainscough

([laurenainscough9@gmail.com](mailto:laurenainscough9@gmail.com)) or Michelle Howland ([mthowland@yahoo.com](mailto:mthowland@yahoo.com))

### Working with Children Checks

A big thank you to everyone who has already provided their WWCC to us or updated their check in readiness for band camp.

We are working to ensure that everyone is appropriately checked and verified before the camp and your assistance is greatly appreciated.

If anyone has a wonderful au pair who is volunteering in the canteen; firstly, we are very grateful. Thank you! Secondly, unlike parent volunteers, Au Pairs do need to provide their WWCC information to us so that we can verify them. Their information or any queries may be sent to us in confidence at

[WWCC@gepsbandc.org.au](mailto:WWCC@gepsbandc.org.au)

### Environs

On the weekend a street library was installed on the path at the front of the school.

A huge thank you to Alan Beattie, Mel Duker's father, granddad to Jasmine in year 2 who made the library for the school. It is ready for all to use - grownups included! All books are gratefully accepted.

Such a great addition to the school.

## School Announcements

***Road and pedestrian safety is important to us.***

### Bike Safety

Until they are at least 10 years old, your child should ride off-road away from vehicles and driveways. While your child may learn skills such as balancing, pedaling and steering quite easily, they are still learning skills that help them to judge speed, distance and the direction of sound. Your young child will often ride with their head down, concentrating on pedaling, not the environment around them. Your child needs ongoing adult help in safe, off-road locations to gradually develop all their skills.

Your older child may want to ride to and from school. Here at Gordon East, the following guidelines apply when riding bikes to and from school:

- Always wear a helmet
- Walk your bike when inside the school grounds and wait until after the school crossing before beginning your ride home. The pedestrian crossing is very close to the entrance of the school can get very congested with pedestrians.
- Be aware of pedestrians. Remember, when riding a bike you share the footpath.
- Ride your bike at a safe speed.

The Roads and Maritime Services website has more information on [safe cycling](#) across NSW.

The safest places to ride bikes, scooters and skateboards are within fenced areas. This helps your child from riding or falling onto the footpath or the road.

Children between 10 and 12 should ride away from busy roads.

Children under 16 and adult riders accompanying and supervising them may ride on the footpath, unless there are signs specifically prohibiting cycling. When riding on the footpath, cyclists must keep to the left and give way to pedestrians. On shared paths, riders are encouraged to leave a metre of space, where possible. Your child also needs to take special care at driveways where vehicles may be driving in or out.

Plan your route using quieter streets, bicycle paths or shared paths, if possible. At intersections, your child and adult riders accompanying them, must dismount and wheel the bike and cross the road as a pedestrian.

<https://www.safetytown.com.au/parents/#riding-safely>

For more information about road rules for cyclists and safety tips please visit the RMS at <http://www.rms.nsw.gov.au/roads/bicycles/safety-rules/index.html>
