### From the Principal – Mrs. Ruth White

Dear Families,

I can't believe that we are almost to the end of term 1 already. What a busy term it has been. We have been thankful to be able to open the school again and welcome our families back in. This week parent teacher interviews have taken place and we are pleased to have offered these face to face.

A very special Congratulations and our well wishes to Miss Cheung who is getting married over the holidays. We wish her and her soon to be husband great happiness and enjoyment in the years ahead.

Each fortnight, we would like to continue our Parent Tips, Tricks and Support section. We would like to make sure that we are covering topics both for what is happening at school as well as specific areas of interest. We would appreciate your input by filling out our short two question survey found at: <https://forms.office.com/r/45MMZDtMk2>. This survey will be open until 4:00pm next Friday 8 April.

Wishing everyone a safe and restful Easter Break. School resumes for students on Wednesday 27 April.

#### COVID-19 symptoms can include:

If your child is sick, keep them at home and get them tested for COVID-19.

#### School Vision

Gordon East Public School is a welcoming and collaborative school community that supports high quality learning. Quality teachers inspire students to be creative and critical thinkers enabling them to become active and informed global citizens.

### Neurodiversity Week

Last week, we celebrated Neurodiversity week. It was great to hear the conversation in the playground and see the children come to school dressed up centred around the posters on display. As part of our celebrations, we were appreciative to our two guest speakers who spoke about their challenges and successes going through school and what helped get them to where they are today. Thank you to both Ashley, a year 10 High School student and Katia who is currently completing a University degree, for their brave and honest presentations as well as their time spent talking to children afterwards. Thank you also to Mrs Roberts for her organisation of this event.

### Harmony Week

Last week was a busy week of celebrations with Harmony Day being celebrated on Monday. It was lovely to see children come to school dressed in traditional costumes or a splash of Orange. Every week is harmony week at GEPS as we learn, play and grow together as one multicultural school where everyone belongs.

### Easter Hat Parade

Next week we are looking forward to holding our Easter Hat Parade. In order to keep numbers down as part of our COVID Smart measures, only Kindergarten and Year 6 families are able to attend in 2022. Photos of this event will be posted for all families in Class Dojo.

### Year 5 Opportunity Class 2023 Applications

If you would like to have your child considered for Year 5 opportunity class entry in 2023, you need to apply between **Tuesday 26 April 2022** and **Friday 13 May 2022**. You will need to access the online application at: <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5>. ### Tech Team, Library Monitors, SRC Exec and Band Captains

Congratulations to all of our student leaders who were presented with their badges over the last two weeks. It was wonderful to be able to invite families of those receiving badges to our pre-station assemblies.

I am looking forward to seeing families tomorrow at the P&C hosted *Connect BYO Picnic* under the COLA tomorrow afternoon.

Take care

*Ruth White*

Principal

# SKELLERN CUP

## Juniors

On the 23<sup>rd</sup> of March, we went to North Turramurra to play in the Skellern Cup. The Skellern cup is a soccer tournament, but it is only for girls. Gordon East played four games with four amazing teams. The teams we played were Artarmon, Hornsby Heights, and because Willoughby is such a big school, we played two of the four teams that were there!

Everyone was showing good sportspersonship, by cheering on our team. Mr Pullen was very good at lifting our spirits and encouraging us. Even though we did not win we had lots of fun anyway!

By Scarlett P and Matilda P.

## Seniors

We travelled by mini bus and set up our marquee. The first game we played well, and even borrowed three players from another team. The second match was another good game, which we all tried our best. For our 3<sup>rd</sup> game, we were successful and won 3-0. Finally, in our last game was played with only 6 players and still managed to win!

Everyone played really well, especially since we only had 6 players. It was a very fun experience and we are very glad we had the opportunity to participate.

## Library Monitors

Congratulations to our 10 new library monitors for 2022:

Natasha M, Ryan X, Aiden M, Nethya W, Joe Y, Diana T, Rhiannon J, Molly C, Annabel W, Sophia B,  
I am looking forward to working with you.

PRC books read to KC and KR during Library lessons:

*Kip* by Christina Booth

*The Cat wants Custard* by P. Crumble

*Room on the Broom* by Julia Donaldson

*There's a hippopotamus on our roof eating cake* by Hazel Edwards

To record books on the PRC website, students need to log in with the username and password they use to access computers at school. Your child's class teacher can provide you with their username and password. Please don't hesitate to contact me if you have any questions about the PRC.

It's always a great time to read!

Bronwen Campbell, Teacher Librarian

# EASTER HAT PARADE

Dear Parent/Carer

Opportunity classes cater for intellectually gifted and high potential students who may otherwise be without sufficient classmates at their own academic and social level. Applications for opportunity class placement are considered on the results of the Opportunity Class Placement Test alone. Students who wish to be considered for opportunity class placement will sit the Opportunity Class Placement Test on **Thursday 28 July 2022**.

Late applications are not usually accepted.

If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Team for assistance after **Tuesday 26 April 2022**.

You must submit only **ONE application** for each student.

**The tear-off slip below is NOT an application and the school cannot apply on your behalf.**

**P & C Report****President's Report**

We have almost reached the end of Term 1 and what a term it has been!

The P&C and its committee members and volunteers have dedicated a lot of time and effort and resources in supporting our children, community and the school through various ways in ensuring smooth operation of some key aspects of the P&C functions. I thank each and every one of you!

Last Tuesday, we had the Wishlist Meeting where we set our spending plan for the academic year. Thank you to all who attended and participated in this meeting, those who took the time to prepare proposals for discussion and everyone working carefully and thoughtfully through the processes to focus and arrive at an outcome that represents what can be achieved this year in the areas of most need for the school and the children. It is never easy to balance competing priorities but I hope with the community support via annual voluntary contributions, and the various fundraising opportunities we hope to have throughout the year, that it will enable us to deliver as many of the items identified in the Wishlist as we can. Your contributions are essential to our success in supporting our school and I will be sending an email communication at the beginning of Term 2 with more details on this.

Class parents for each grade have established communication with all families now either through email, Signal or WhatsApp groups. If you have not been contacted by a class parent, it means the P&C does not have your contact details. If this is you, please complete the form on this link: <https://forms.office.com/r/hUVYiAbdhs> or email Kathy Zvirblis on [classparent@gordoneastpandc.org.au](mailto:classparent@gordoneastpandc.org.au) so we can connect you to your class parent.

Lastly, I am so excited for the picnic event our Events team have organised for this Saturday 2 April, 4-7pm. It is not too late to sign up and don't forget to purchase tickets for the online raffle you can participate even if you cannot make it to the picnic. Details as per the Events Report below.

We look forward to meeting and seeing you all there! It is a fantastic opportunity to meet and connect with families in our community on the grounds of our wonderful school.

Wishing everyone a fantastic last week of Term 1 next week and safe and wonderful holidays thereafter.

Kind regards,

Sarah Kim GEPS P&C President

**Uniform shop**

From Term 2, there will be a change over from summer to winter school uniform. If you require any winter uniform items prior to the start of term 2 please make sure to place your order online via Flexischools by 4.45pm on Monday 4 April. The uniform shop will be open, for the final time this term, next Tuesday 5 April during which time all Flexischools orders will be packed and distributed to the student classrooms.

If you would like to visit the uniform shop in person, just a friendly reminder that, due to the current restrictions, appointments are required for all in-person sales on a Tuesday morning and these can be booked at <https://www.picktime.com/GEPSUniformShop>. Unfortunately, at this time, it will not be possible to purchase any items directly from the shop without a prior appointment.

The uniform shop will re-open for Term 2 on Tuesday 26 April. The shop will be open for appointments (must be pre-booked online) from 8.30am as per usual however as this a pupil-free day all Flexischools orders will be distributed to students upon their return to school on Wednesday 27 April.

I also still have some remaining green raincoats (new condition) available for in-shop purchase for those that are interested. As these are an item that we will no longer be stocking, all remaining raincoats are being sold at a reduced price of \$15 and will only be available until sold out. Sizes left for purchase include sizes 10, 12 and 14. There are also a limited number of Size 14 Boys Long-sleeved shirts (new, unworn condition) that are being sold at a reduced price of \$16 each. These are an older style shirt that has an ink print of the school logo on the shirt pocket rather than the current embroidery style. These are available for in-store purchase each Tuesday until sold out. If you would like to purchase either of these items but are unable to visit the uniform shop on a Tuesday morning due to other commitments, please get in touch by email at [uniformshop@gordoneastpandc.org.au](mailto:uniformshop@gordoneastpandc.org.au) with size/quantity requirements.

Uniform Shop Manager

**Book Club**

Issue 2 orders have now arrived and will be ready for distribution to students by the end of week 10/early week 11.

Many thanks to all families that have ordered from Book Club this term. So far this year, over \$650 in Scholastics rewards dollars has been earned to go towards additional resources for the school library.

If you have any book club related questions, please get in touch at [bookclub@gordoneastpandc.org.au](mailto:bookclub@gordoneastpandc.org.au)

Shari Allinson

This week we had a special treat: hot cross buns at the canteen thanks to Woolworths Gordon for their generous donation to support our GEPS Canteen! The extra effort to prepare and deliver to the classrooms for morning tea was totally worth it. The children seemed to enjoy it. Mission accomplished! J

As you might have seen in the email I sent and/or in the P&C Facebook page, I will be away overseas and unfortunately, we are not able to find someone to take over the canteen on Tuesday April 5th, which means that we have to close the canteen. Apologies for the inconvenience. But.... the canteen will be open again on Friday April 8th (last school day of this term) with an adjusted menu.

I'd like to make a correction on my earlier announcement regarding opening hours of the canteen in term 2. From the first Friday in term 2, April 29th, the canteen will be open again.

As mentioned previously, we would be able to offer more options in the menu with extra help in the canteen. Thanks to everyone who responded to the canteen survey. The Canteen Committee will be working on a volunteer roster from the pool of volunteers who have kindly responded to the survey or otherwise have let me know personally that they are willing to help. We hope to be in a position with enough volunteers to offer morning tea options in Term 2. Please note, you are required to be up to date with COVID vaccinations (including booster if eligible) and have WWCC requirements met. Please join me in putting smiles on our children's faces with our yummy canteen food. Especially if you and your child(ren) are new to our school, trust me you will come back after the 1st time volunteering as it's fun and it's a great opportunity for you and your child(ren) to see each other at school! Please let me or the Canteen Committee know if you are interested to help and just let us know when it suits you. It doesn't need to be on a regular basis. Thanks!

For the new GEPS parents, the canteen order can be placed in advance through <https://www.flexischools.com.au>

If you have any questions about the canteen, please feel free to contact me:  
[canteen@gordoneastpandc.org.au](mailto:canteen@gordoneastpandc.org.au)

Have a lovely weekend and Happy Easter everyone! See you in term 2!

Kind regards,

Lia ter Horst GEPS Canteen Manager

## **4 Top Tips For Helping Children Develop a Growth Mindset.**

Based on research by Carol Dweck, PhD

Helping children to switch from a fixed mindset to a growth mindset can come with some challenges. Here are some tips that may help.

### **1. Have Daily Learning Discussions**

- Ask, “What did you learn today?” or “What did you try hard at today?”
- Praise for effort, persistence, perseverance, planning creative strategies, improvement and setting goals.

### **2. Do You Know Brains Can Grow?**

- Explain to children that our brains can grow stronger and our intelligence can improve throughout life

### **3. Encourage Risk, Failure, and Learning from Mistakes.**

- Failure teaches resiliency.
- Try not to fix everything. Let children experience sadness and disappointment.

### **4. Encourage and Model Positive Self-Talk.**

- Say statements like, “Mistakes help me learn better.”
- Say, “I can always improve, so I’ll keep trying.”
